

IceMelt

WHAT OUR CUSTOMERS ARE SAYING

It worked great with minimal use.

Christopher Keen, Cassidy Turley – Reston, VA

I want to thank you for working with me and getting that delivery of ice melt here. It is always a pleasure to do business with you.

Claude Stark, Johns Hopkins University School of Medicine – Baltimore, MD

Again, I want to thank you for the awesome service you have given us this season. I very much appreciate it.

Lee Roeder, Strosniders – Bethesda, MD

The ice melt worked great! We already put some down for the storm that missed us last week, and yesterday morning when I checked the area it was covered with sleet with the exception of the areas we treated with the ice melt. [Thanks for] your quality service and the great product you provide.

Andrew C. Lee, Capitol Hill Business Improvement District – Washington, DC

Thank you and your staff SO MUCH for getting us an order of ice melt today. You've made not only our customers, but staff (who is always eager to please), very happy! It's that kind of service and attention that will have us coming back to you!

Robbie Kaplan, Ace Hardware – Washington, DC

We [used your] ice melt today and it worked much better than what we were using before.
